

YMCA of Greater Seattle (A Partner of the Washington Service Corps)

YMCA of Greater Seattle AmeriCorps Team is a twelve member AmeriCorps team serving low-income and underserved youth (ages 12-24), especially minority and immigrant populations, in Seattle, Washington. Members provide valuable employment and education services. Support services will include assistance with meeting immediate needs related to housing, healthcare, and nutrition as well as meeting longer-term needs related to job-readiness and life skills through a variety of host sites including: the Center YMCA Young Adult Services, YouthCare Orion Center, Metrocenter YMCA's Alive and Free Program, Metrocenter YMCA's Employment and Education Services Department, and the Matt Griffin YMCA. During time served members will participate in weekly team meetings and trainings for personal and professional development.
